

Item for the Daily Log - 23 January 1953

In response to the request from [REDACTED]  
I inquired of Mr. Keele, Chief Counsel of the Committee to Investigate  
Charitable Foundations, as to whether access could be had by CIA to  
foundation replies to the Committee's questionnaires. Mr. Keele  
stated that this was public information which would be available after  
15 March when the Committee's files will have been turned over to  
the Library of Congress. Technically, custody of access of the files  
will be in the name [REDACTED]
